

## *183d Fighter Wing*

**Mission Statement:** Provide the foundation for the 183d missions; deploying combat ready forces while delivering full spectrum support to our installation and providing valuable resources to the governor or president in time of natural disaster or national emergency.

The mission of the 183d Fighter Wing consists of supporting the assigned groups and tenant units with traditional military services as well as all services for force sustainment including civil engineering, personnel, logistics, communications, medical, security, family support, and all other host services.

The men and women of the 183d stand ready to meet the needs of our great nation and the State of Illinois.
